

Eagle Magnum

This Eagle version benefits from the addition of a secure multi-lock mechanism for the front doors and a larger, deeper, removable back cover. These enhancements make it suitable for payment applications or the integration of larger peripherals. It is secure enough to leave unattended.

General Description:

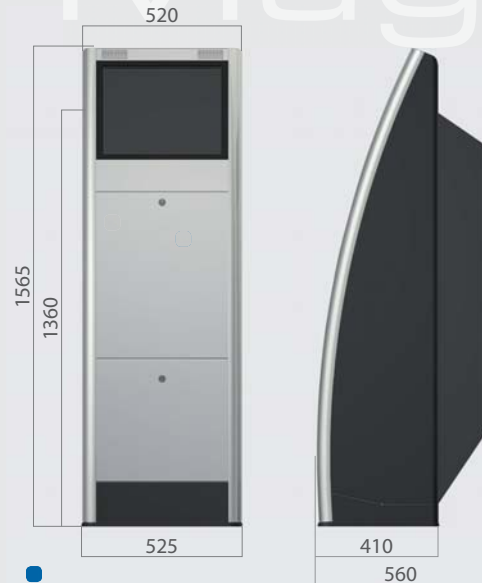

- Aluminium construction with metal and plastic components
- Silver or Black Colour
- Flexible solution for additional peripherals
- Fully secured wiring is installed for maximum user safety and kiosk hardware protection
- Dimensions: 1550(H) x 520(W) x XXX(D)mm
